Before 1989, I have been employed as coordinator of cultural associations, translator for an international society, French teacher in secondary schools.

Interests

39 . Synopsis of current research interests: (max 1, 000 characters)*

Currently, I participate in the research activities of the Destree Institute Foresight Unit as reviewer and publisher of reports for the European College of Foresight, the Regional College of Foresight in Wallonia, the Mutual Learning Platform, the project "Territorial Intelligence in Wallonia" (www.intelliterwal.net).

As head of the Information Society Unit of the Destree Institute, I work on the themes of governance and foresight of the internet (participation to the Internet Governance Forum).

My main topic of research for 2006-2007 is related to the Millennium Development Goals, especially the third one "Promote gender equality and empower women" with a particular attention to ICTs, in relation with the WSIS Tunis Agenda and Plan of action. I prepare an international conference, Millenia 2008 (www.Millennia2015.org will soon be online), that will be organised by the Destree Institute in March 2008, to deal with those questions on a really international high level.

40 . Former research interests (with dates): (max 1, 000 characters)

- 1994 : Organisation of a conference-consensus about Education in Wallonia, in the cycle of the permanent conference "Wallonia to the future" (www.wallonie-en-ligne.net/wallonie-publications/Wallonie-Futur_Index-Congres.htm). From 1987 to 2003, I participated to the organisation of all the sessions, reviewed and published the whole proceedings of the conferences (books and web);

- 1997-... : Education and trainings related to the ICTs, research in order to develop an independent network for the Destree Institute (DNS, web, mail servers, databases, ...);

- 1998-... : Formation of the Belgium-Wallonia Chapter of the Internet Society, participation in many fora about ethics, education, languages and cultural diversity, ...;

- 2002-2004 : Research and publication of the section related to the ICTs of the "Foresight Mission Wallonia 21", for the Government of Wallonia (www.wallonie-en-ligne.net/Mission-Prospective_Wallonie-21.htm);

(Next points in section 41)
